

# I believe *in the* future *of* Ag

## 2017-18 ADVISOR GUIDE

*I Believe in the Future of Ag* allows your local FFA chapter to raise money and build a supportive FFA community! Your local donors can support your chapter directly through the Nebraska FFA Foundation. Use the enclosed donation cards to make sure your chapter receives 100% of their donation.

### Show me the MATCHING money!

- 100% of the donations for your local chapter will be sent back to you in April and \$35,000 is available in matching funds.
- \$30,000 will be returned proportionate to the amount your chapter raises.
- If every chapter in your district raises funds through *I Believe in the Future of Ag*, an additional \$5,000 will be distributed to all chapters proportionate to the amount raised.

### Go on Stage and win Husker football tickets!

- The top 20 chapters in the corporate partner scavenger hunt, who also raise at least \$500, will go on stage at state convention.
- Two representatives from each of these chapters will also be invited to the *I Believe in the Future of Ag* Forum and Reception at state convention.
- The top three chapters will win Husker football tickets.

### Don't Forget:

- Sarah Mullen can set up an online donation page for your FFA chapter to receive donations. If you set one up last year, you can use it again!
- Sarah can provide additional materials, like sample letters.
- The Nebraska FFA Foundation will not accept checks written by your school, FFA chapter or FFA alumni chapter.
- Donations made by check must be attached to a donation card and all information on the check must match the donation card or it will be returned.
