

I believe *in the* future of Ag

2023-24 ADVISOR GUIDE

I Believe in the Future of Ag allows your local FFA chapter to receive donations and build a supportive FFA community! Your local donors can support your chapter directly through the Nebraska FFA Foundation. Use the enclosed donation cards to make sure your chapter receives 100% of their donation.

Show me the MATCHING money!

- 100% of the donations for your local chapter will be sent back to you in April and \$30,000 is available in matching funds.
- Funds can be sent back at anytime if you need the funds before April.
- \$30,000 will be returned proportionate to the amount your chapter receives in donations.
- If every chapter in your district receives funds through *I Believe in the Future of Ag*, an additional \$2,500 will be distributed to all chapters proportionate to the amount raised.

Top 10 Chapters!

- The top 10 chapters in the corporate sponsor engagement contest, who also receive at least \$500 in donations, will go on stage at state convention and receive extra funds for being a top chapter. \$1,000 goes to the top chapter!

Don't Forget:

- Victoria can provide additional materials, like sample letters.
- The Nebraska FFA Foundation will not accept checks written by your school, FFA chapter or FFA alumni chapter.
- Donations made by check must match the donation card or it will be returned.
- No checks will be accepted if sent in 60 days after the check date.
- If the check says anything about a good received (examples: fruit, plants, signs, etc.) the checks will be returned because the donations can't be for a good received.
