

## Instructions for Cooperatives or Grain Elevators

The Nebraska FFA Foundation has established a policy for gifting grain to raise money to support the Nebraska FFA Foundation and local FFA Chapters or Alumni. If your cooperative/organization would like to set up a grain account with the Nebraska FFA Foundation please follow these steps:

1. Contact the Nebraska FFA Foundation to create an account.  
Nebraska FFA Foundation

PO Box 94942  
Lincoln, NE 68509-4942  
Phone: 402-472-5846

2. Any donations need to be sold and settled at the end of each day, or at the time the donation is made, whichever is easiest for your cooperative/organization. The Foundation does not want to assume any risk of tracking any grain, incurring storage charges, risk of loss or transportation costs. If there are any loan deficiency payments available, make sure those are taken before transferring the grain.
3. Donations can be made anonymously or name of the donor may be placed on the memo line of the check. We would like to thank any donors, but we understand some wish to remain anonymous.
4. Please send checks to the Nebraska FFA Foundation at the above address. The producer will receive a letter from the Foundation acknowledging the gift.
